I understand changes made to my schedule will only be made if necessary due to academic failure, FSA Scores and/or availability of classes based on the final development of the school's master schedule. Based on FSA achievement scores of level 1 or 2, students' elective choices will be replaced with state mandated Intensive classes. Due to enrollment, some classes may not be offered. We will make every effort to honor your first and second choice of electives. However, an elective is not guaranteed. If a subject sheet is not returned, courses will be selected for you. No schedule changes will be granted once the school year begins.
